Buying property in Cyprus allows the buyer to obtain a permanent residence permit. We offer an "A to Z" service for non-EU citizens seeking residency in Cyprus by means of buying a property.

To be granted a life-long (permanent) residence permit in Cyprus, the applicant needs to purchase a new property or two new properties from the same developer with a total price of 300 000 Euros excluding the VAT. At the time of submission of the application, 200 000 Euros (excluding the VAT) must be transferred in settlement of the property and the contract of sale must be registered at the Lands office.
